RE: Application for Adjustment of Status Based on Approved Employment-based I-140 Under EB-2 NIW Category Immigration Petition for *Sohag Kumar Saha* (A241 [REDACTED]) & *Anamika Saha* (Spouse) as Nationals of Bangladesh.

Principal Applicant: Sohag Kumar Saha (Forms: **I-485 & I-765**)

Derivative Applicant (Spouse): Anamika Saha (Form: **I-485**)

Nature of Submission: Original Submission

Dear Immigration Officer,

I am, **Sohag Kumar Saha**, respectfully submitting this letter in support of the adjustment of status of myself and my spouse, **Anamika Saha**, to that of lawful permanent residents under section 245 of the Immigration and Nationality Act, 8 U.S.C. § 1255. I, **Sohag Kumar Saha**, am the self-petitioner of an approved I-140 Petition (**Priority Date: 08/16/2023** and **Receipt Number: LIN [REDACTED]**) under EB-2 NIW (National Interest Waiver) under section 203(b)(2) of the Immigration and Nationality Act, 8 U.S.C. 1153(b)(2). Specifically, this letter will show that my spouse, **Ms. Anamika Saha**, and I have met all the requirements under INA 8 USC § 1255 and therefore are eligible to file this application to adjust our immigration status to that of lawful permanent residents. I'm the principal applicant **Sohag Kumar Saha**, who is also applying for **Employment Authorization (Form I-765)** along with the adjustment of status application.

A. Ms. Anamika Saha and I are Currently in and Have Continuously Maintained Lawful Non-Immigrant Status Since Our Last Entries to the United States of America

I am currently in F-1 non-immigrant status. My F-1 non-immigrant status will expire on [REDACTED], 2026, according to the I-20 form. I first entered the United States on an F-1 visa on [REDACTED], 2021 and last entered on [REDACTED], 2022. I have maintained lawful non-immigrant visa status since my last entry to the U.S. on [REDACTED], 2022.

I earned my Master of Science (M.S.) in Electrical and Computer Engineering from Tennessee Technological University, Cookeville, Tennessee, in December 2024. Currently, I am continuing research toward my Ph.D. in Electrical and Computer Engineering and employed as a Graduate Research Assistant at the Center for Energy Systems Research (CESR) under the Department of Electrical and Computer Engineering at Tennessee Technological University, Cookeville, Tennessee, USA. I intend to continue to be engaged in the same or a similar occupational field as the one on which my I-140 petition is based.

My spouse, **Ms. Anamika Saha**, is currently in F-2 non-immigrant status. Her F-2 non-immigrant status will expire on [REDACTED], 2026. She first entered the U.S. on an F-2 visa on [REDACTED], 2022. She has maintained lawful non-immigrant visa status since her last entry to the U.S. on [REDACTED], 2022.

B. Visa Numbers Immediately Available at the Time of Filing

My approved I-140 petition is under the preference of National Interest Waiver pursuant to Section 203(b)(2) of the Immigration and Nationality Act. In addition, **Ms. Anamika Saha**, and **I** were born in Bangladesh. According to the latest visa bulletin of June 2025 and the USCIS Adjustment of Status Final Action Date (FAD) Chart and Filing Chart, our priority date, [REDACTED], 2023, is current. USCIS has determined that the Final Action Dates chart in the Department of State Visa Bulletin for June 2025 must be used for all employment-based preference categories for the submission of the adjustment of status file. According to the June 2025 visa bulletin and USCIS Adjustment of Status filing requirements, we are therefore eligible to file the adjustment of status applications.

C. I Self-Petitioned My Approved I-140 NIW Petition - Therefore, I-485 Supplement J Is Not Required

I self-petitioned my approved I-140 NIW petition, and thus I am not required to have a valid job offer, nor do I have a petitioning (Form I-140) employer. As indicated in the I-485 Instructions and Supplement J instructions, “... ***Because these employment-based immigrant visa categories are not tied to a specific job offer, individuals seeking or granted classification as an alien of extraordinary ability, or seeking or granted a National Interest Waiver of the job offer requirement, do not have to file Supplement J when filing Form I-485 or to request job portability under INA section 204(j) ...***” Therefore, I-485 Supplement J, Confirmation of Bona Fide Job Offer or Request for Job Portability Under INA Section 204(j), is not required for my I-485 application, which is filed based on an approved EB-2 National Interest Waiver (NIW) petition.

D. A Valid Marriage Relationship Entitles Ms. Anamika Saha as a Derivative Beneficiary

My spouse, **Ms. Anamika Saha** is a derivative beneficiary. My spouse and I were married in Dhakeswari National Temple, Dhaka, Bangladesh, on [REDACTED] 2022, and we have maintained a valid marriage and are staying together happily.

F. Ms. Anamika Saha, and I are Bangladeshi Citizens of Good Standing and Will Not Become Public Charges to the United States

Ms. Anamika Saha, and **I** are Bangladeshi citizens of good standing. Our admission as permanent residents will not constitute a social burden to the United States.

With these facts in mind, it is respectfully requested that you consider these applications and the evidence submitted herewith, and upon consideration, approve the applications and request.

The index of exhibits or evidence required by USCIS regulations will guide you to the principal and derivative applicant’s list of documents submitted for both of our applications. The documents of the Principal and Derivative Applicant is in separate packets for your convenience.

RE: Statement regarding the clarification of the spelling of Birthplace as “NETROKONA” or, “NETRAKONA”, which is the same city in Bangladesh.

TO WHOM IT MAY CONCERN

Dear Immigration Officer,

This is to clarify that my birthplace, listed as Netrokona in some documents (such as in my passport and birth affidavit from my parents), also appears as Netrakona in others (such as in my birth certificate and national ID card). Both spellings refer to the same city in Bangladesh. The variation in spelling is due to differences in transliteration from Bengali to English. Please consider both **Netrokona** and **Netrakona** as references to the same location in all my application documents. I have also attached two documents on the next page: one from the local government website of Bangladesh and another from Wikipedia, where the place is referred to with both spellings, i.e., “NETROKONA” or “NETRAKONA.”

Thank you for your kind consideration.
